Alexis -

The Rep. Titus letter regarding the closure of the Las Vegas lab has not been controlled to R9. I am checking with our HQ Congressional Correspondence Unit as to who the letter was controlled to in HQ. I am attaching a copy of the incoming letter to Administrator Pruitt, but do not have a draft response to share with you as it has not been controlled to R9.

Brent

Can you track down the draft reply to the Titus letter? Was it controlled to us?
